**THE WONDERS OF GAS**  
 What You Can Do With Gas

Gas is ready any minute of the day or night, in any quantity and in any part of the house. You don't have to carry it about. No smoke, no ashes, no disagreeable odors, no heavy and clumsy apparatus, and a gas company handy who will see that your appliances are working properly if you ask them to do so.

You can cook with gas, heat water for washing, do the laundry work, light your house, take the chill from rooms on cold days; why, if you wanted to, you could have a gas engine pump the water for you if that was necessary.

It would take a larger space than that occupied by this advertisement to enumerate all of the many things that may be done with gas, and as space is rather expensive, we would suggest that you call at our office and see for yourself how many things may be done.

# BURKE SAVES N. F. A.

## Red and White Athlete's Thrilling Run Gave Academy Victory Over Bulkeley in Track Meet—Score 45 to 41.

Burke, forging in the lead 25 feet from the finish in the relay race, enabled the Academy to score a victory over Bulkeley High in a dual track meet at the fair ground Saturday afternoon.

The mile relay race, which was the last, proved a thriller, and the Academy after taking the lead in this race lost it in the half, but on the home stretch Burke, putting every ounce of energy in him, succeeded in passing Graves in time to finish a winner not only of the event but the meet.

The athletes were about evenly matched and before the final event the score stood in the New London favor, 41 to 40. The final score was 45 to 41. Winners of each event received medals, second and third ribbons and the winning team a loving cup.

The results:  
 100 yards—Burke (N), Peters (NL), Standish (N). Time 11.5 seconds.  
 High jump—Himes (N), Graves (N), Ferguson (N). Tied for second, 5 feet 3 inches.

220 yard run—Lawrence (NL), Littlefield (NL), Mullins (N). 2:22 1-5.  
 Shot put—Wilcox (N), Hull (NL), Lawrence (NL). 30 feet 1-2 inches.  
 220 yard run—Burke (N), Standish (NL). 2:44 5 seconds.  
 Broad jump—Fanning (N), Peters (NL), Littlefield (NL). 15 feet 3 inches.

Mile run—Littlefield (NL), Lawrence (NL), Rehnacher (NL). 5 minutes 44 seconds.  
 Pole vault—Lawrence (NL), Holdridge (N), Peters (NL). 8 feet, 9 inches.

440 yards—Standish (N), Mullins (N), Lawrence (NL). 5:29 2-5 seconds.  
 Relay mile race—Mullins, Norton, Standish, Burke (N), T. Sullivan, Lawrence, Peters, Graves (NL). Won by Norwich.

**Emeralds 8, Bristol 3.**  
 (Special to The Bulletin.)

Willimantic, May 21.—The Emeralds won an easy victory Sunday afternoon at Holbrook oval over the much touted Bristol Independents. The score was 8 to 3. Both pitchers, Killoury for the Emeralds and Chalmers for the Bristol, were hit freely. The Emeralds bunched their hits with the visitors' misplays in the field and after the fifth inning it was easy sailing for the home team. Bristol looked like a ball team in the third inning when they laid down three consecutive safe bunts on the fourth, filling the bases. Norrick then came through with a pretty single, scoring two runs. In the ninth large poled out a drive to left field that won the game for the Emeralds. Features of the game included two double plays by the Emeralds, catches by Woodward, Scheidel and throws and stops by Howard, Sullivan and Norrick.

**Danielson Defeats Putnam.**

Danielson, May 20.—Danielson won an exciting game of baseball from the Putnam team 5 to 3 on Quinebaug field Saturday afternoon. Sullivan of Providence did the twirling for Danielson, while Mayfield of the Providence International league team was in the box for the visitors. His field Danielson scoreless until the sixth inning, when Danielson got going and tied up the game. Putnam having gotten runs in the fourth and fifth.  
 Monahan, who looks like a catching find, again showed up splendidly and continued to be Danielson's star. Mayfield had the Danielson boys swinging at air much of the time, 11 strikeouts being set to his credit.

**NICKALLS DOES NOT LIKE THE HOUSATONIC.**

Says Water Course is Lifeless—Yale May Not Erect Quarters.

Guy Nickalls, the Yale crew coach, has criticized the new course on the Housatonic river, just below Derby, to which the varsity squad has been assigned. Nickalls says that the course is lifeless and that the river is too shallow for the varsity to become a permanent element in the question of selecting a permanent course on the Housatonic. He states that the water

on the course below Derby is lifeless and that the crewmen have complained that it tries them much more than rowing on New Haven harbor or on the Thames.

Nickalls has just completed a brief investigation of the proposed course on the Housatonic above Derby. This, he says, is one of the finest he has seen in America, although he does not claim that unfavorable conditions of a character not yet investigated may not possibly develop, upon more searching investigation. He stated that Yale could hold a regatta on the course which would surpass any yet attempted in America.

The course on the Housatonic below Derby was selected for experiment the present season largely because it is possible for Yale to train its rowing squad from the university to the river on an express trolley car in only 20 minutes' time. This could not be done if Yale should decide to adopt the course on the Housatonic above Derby, but Nickalls has suggested that the squad be transferred in automobile touring cars. The distance from the campus to the upper Housatonic course could be covered in only half an hour, he believes.

In the face of Nickalls' criticism it is unlikely that Yale will decide upon erecting permanent quarters below Derby at present. A temporary boat-house has been erected for housing the crewmen during the two weeks when they will practice on the Housatonic. Yale already has a training camp on the Thames which is estimated at about \$75,000, including separate houses for the varsity and the freshmen and sophomores, as well as an asplous bathhouse for the shells, with quarters for the servants.

**EASTERN LEAGUE IGNORES ATTACK ON NEW LONDON**

Source of Unjust Rumor Easily Traced.

It must have been somewhat of a disappointment to the "Shin Fane" in Uncle James O'Rourke's staff of newspaper hammer wielders in Bridgeport and Springfield when the directors of the Eastern League refused to court martial and shoot Manager H. Eugene McCann of the New London club Monday evening. That was the date at which it was planned, according to the O'Rourkeites, to hold an investigation of the "Shin Fane" charges that the New London club was exceeding the salary limit in league. The investigation was held in the Hub city and at the close of the session it was announced that the players' limit would be extended to permit each club to carry 14 men. A new rule was devised for loading pitchers and relief pitchers. O'Neill held a little confab with the umpires. Not a word said about over-the-salary limit bugaboo, because there was no occasion for it. The directors never entertained a thought of investigating the canard put in circulation by the "Shin Fane" in Bridgeport and Springfield. Every man interested in the affairs of the Eastern League seemed to be aware of the source from which the report emanated and, therefore, there was only one course to pursue—to forget it.

**Where the Report Originated.**

The officials of the New London Baseball club were not concerned about the uncalculated attack on the leading club of the Eastern league penning race. The animal was a rant, but the report which was born in Bridgeport and given life by circulation, first in one paper in Springfield, then copied by thoughtful young men in other cities in the circuit, became as annoying as a blood-seeking Stratford mosquito. The Eastern league directors did not care to swat the insect, so it was decided to blow it away.

**One Writer Who Investigates.**

W. P. Peters, the interesting and fair-minded sporting editor of the Lawrence Tribune, read the "Shin Fane" attack on Manager McCann and the New London club, but he did not fill paper space it. He said that he had some experience in the newspaper business and being more or less familiar with the reason for the animus displayed by Springfield writer and one Bridgeport writer against the New London club, Mr. Peters followed

ed the policy of putting the question up to Manager McCann.

**MAYER, TWIRLER, PHILLIES.**

Wilson and Cook. Donovan, a former Eastern league leaguer, has been added to the staff.

Hartford has procured Catcher Solon and Pitcher Anderson from the Baltimore International. Owner Calhoun is also angling for a twirler from the Providence Grays. His name has not yet been divulged.

**WE PREDICT THAT THE EASTERN LEAGUE**

is going to have a tough season with umpires. Bannon and Stafford are O. K. These arbiters have given satisfaction in every city in which they have worked, but as for "Mutt" Waters, "Jimmy" Ennis and "Mike" Doherty, they will never do. Waters is totally blind. Ennis has not got an ounce of nerve, and Doherty acts as though he does not know whether he's in a ball game or on horseback. —Lynn News.
